### **18. CIRCUIT & MEETING NOTES:**

BARC and MSV will not be liable for any damage caused to vehicles being recovered from the track.

Competitors, who experience mechanical problems, particularly if that problem is likely to be a hazard to others, must be stopped immediately in a place of safety. The competitor may also be liable for any excessive clean-up costs involved.

There are signal lights around the circuit and these lights have the same meaning as the flag signals.

Motorsport is a non-contact sport and competitors who make contact with each-other render themselves liable to penalties in accordance with the current Motorsport UK Yearbook. Likewise competitors should remain within the white lines defining the edges of the circuit. Failure to do so will render the competitor liable to penalties up to and including exclusion.

The circuit fuel station will be open during the meeting.

All working areas should be kept clean and tidy and any waste placed in the appropriate container. Waste must not be mixed or waste left around the site. In the event that the BARC is charged for such issues then the charge will be passed on to the championship concerned if the individual cannot be identified.

All team vehicles parked in the paddock must be parked neatly and without unnecessary gaps between vehicles. Where vehicles with tail lifts are being used the tail lift should not be left down, including in the halfway position, other than when loading / unloading is being undertaken, as this may present a serious risk of injury to drivers or pedestrians
