10. NOISE POLLUTION:

Engines must not be run before 9:50 on Saturday or 8:50 on Sunday, or after the end of racing on Saturday or 17:00 on Sunday.

11. CIRCUIT ACCESS & EGRESS:

All vehicles will need to go to the assembly area as this will enable noise testing to be carried out.

For qualifying competitors will be released into the pit lane and then onto the circuit at the start of their session.

For all race starts competitors will form up in the assembly area and be released to form up on the grid, no team personnel will be permitted on the grid. Drivers should remain in released order. On the grid drivers will be shown 1 minute & 30 second boards before the green flag lap.

At the end of all practice, qualifying and races cars will take the flag, and complete a full lap to leave the circuit via Parc Ferme as directed by the marshals.

Competitors must ensure one garage door is kept closed at all times. It is also essential that cable covers are used for any wires/cables that are stretched across the fire lane at the back of the pit garages. It is asked that competitors also ensure that the fire lane is kept clear at all times as this lane is required for emergency access.

12. RED FLAGS:

Any category which generates a “red flag” may be placed at the end of the schedule subject to time being available.

16. RACE-DAY INFORMATION:

The organisers will try to run the programme as published however reserve the right to bring forward, delay or abandon event sessions to suit the conditions.

17. VIDEO EQUIPMENT:

Video equipment may be fitted to the car if it is not used for commercial purposes. All equipment must be fitted to the vehicle at scrutineering and failure to do so may mean that the camera will be removed.

18. CIRCUIT & MEETING NOTES:

BARC will not be liable for any damage caused to vehicles being recovered from the track.

Competitors, who experience mechanical problems, particularly if that problem is likely to be a hazard to others, must be stopped immediately in a place of safety. The competitor may also be liable for any excessive clean-up costs involved.

Motorsport is a non-contact sport and competitors who make contact with each-other render themselves liable to penalties in accordance with the current Motorsport UK Yearbook. Likewise, competitors should remain within the white lines defining the edges of the circuit. Failure to do so will render the competitor liable to penalties up to and including exclusion.

All working areas should be kept clean and tidy and any waste placed in the appropriate container. Waste must not be mixed, or waste left around the site. In the event that the BARC is charged for such issues then the charge will be passed on to the championship concerned if the individual cannot be identified.

All team vehicles parked in the paddock must be parked neatly and without unnecessary gaps between vehicles.

The pathway behind the pit garages must be kept clear at all times as it is a fire lane.

There must be no trailing cables across the paddock paths or roadways. Cables that are not protected may be removed.

Any person who is injured or feels unwell should seek help from the circuit medical services. Please contact an official or member of the venue management team.
