The Regulation below is amended with immediate effect to the following:

CR 1.5.2 Testing Ban: Testing after the last race of the 2019 Championship is unrestricted until the first round of the 2020 Championship, due to take place on the 01st August 2020 at Donington Park. Thereafter, except for any official championship test day no driver or Entrant or Team is permitted to test any specification of Ginetta G55 at a Championship venue in the period of 4 calendar weeks preceding the first day of the next Championship event at the same venue on the calendar as amended from time to time. The first day of all Championship events shall be the Friday. Competitors will be notified of any official in season test days by way of a Championship Bulletin.

TOCA Guidelines and Protocols:

Any TOCA Guidelines and Protocols (in relation to COVID-19) issued prior to a Championship Meeting that contradict any corresponding 2020 Ginetta GT4 SuperCup Sporting Regulations shall take primacy over the Regulations.
