CATERHAM GRADUATE CHAMPIONSHIP RACES

Under Championship regulation 3.1.3(a) qualification races for the oversubscribed Sigmax/Sigma 150 competitors will be run.

This will be in the form of the slowest **11** cars in qualification for Sigmax/Sigma 150 forming on the back of the Sigma 135 Races with a **2 Row gap** and starting on the Union Flag **20 seconds** after the main Sigma 135 start on the lights.

The result of these qualification races subject to any judicial will allow the first **5** competitors to take up position on the back of the main Sigmax/Sigma 150 Races.

For clarification:

- the Fastest Lap in qualifying forms the Grid for Sigmax/Sigma 150 Race 1 and the slowest **11** go to the back of Sigma 135 Race 1 (Race 2 on Programme) to race for the opportunity to race on main Sigmax/Sigma 150 Race 1 (Race 4 on programme)
- 2nd Fastest qualifying time forms the Grid for Sigmax/Sigma 150 Race 2 and the slowest **11** go to the back of Sigma 135 Race 2 (Race 7 on Programme) to race for the opportunity to Race on main Sigmax/Sigma 150 Race 2 (Race 10 on programme).

Grids will be issued to reflect this, with Grids for both Sigmax/Sigma 150 races not being issued until both Qualification Races are completed.
