SAFETY FIRST

AT SILVERSTONE

You're always in safe hands at Silverstone – and in today's current climate, we have put in place new procedures and policies to ensure the wellbeing of everyone attending the venue.

This guide provides all you need to know about visiting Silverstone and giving you peace of mind that your health and safety is of paramount importance.

CLEANING & HYGIENE

We have put in place enhanced cleaning protocols and processes relevant to COVID-19.

- Installed hand sanitising stations at entry and exit points around the buildings, including our garages. We recommend they are used regularly whilst in and around the venue
- Implemented an enhanced cleaning and hygiene schedule throughout the venue which includes electrostatic spraying sanitisation, air steriliser system within buildings and screen protection at key locations
- All areas will be thoroughly cleaned prior to each usage, during the day and after departure, with checks by our designated COVID-19 Officers
- Fresh air ventilation within all buildings has been increased
- All furniture is sanitised and cleaned before and after each event

MOVING AROUND

SILVERSTONE

We've implemented the following measures and will review these regularly as Government guidelines change.

- Where possible all buildings have a separate entry and exit, and a one-way system to manage flow
- Where possible electronic communication will be used before arrival and while on site
- Thermal testing at the main gate will remotely check the temperature of all site visitors
- Clear signage around the venue will remind visitors to social distance and to encourage safe practice and good hygiene

**KEEP YOUR
DISTANCE**

FOOD & DRINK

We pride ourselves on holding 5 star food ratings for all food production areas on site and will continue to exercise increased levels of hygiene practices.

All of our staff, including our kitchen team have received training to implement our enhanced health and safety measures including hygiene practices relevant to COVID-19.

- Our catering outlets have protective screens
- Only cashless payments will be accepted
- Seating areas have been positioned to allow for social distancing
- Food & beverages will be served on disposables where possible
- Appropriate Personal Protective Equipment (PPE) will be worn by all of our staff

ADVICE FOR VISITORS

- Be considerate of other visitors, giving them time and space to enter and exit buildings where required
- Observe social distancing rules at all times - maintaining a distance of 2 metres from people around you
- A mask or face covering should be worn if 2 metre social distancing cannot be maintained
- Do not attend the venue if you have at any time during the past three weeks knowingly been in contact with anyone who currently has or has had at any time during the past three weeks any symptoms relating to Coronavirus, except as a healthcare professional
- Do not attend the venue if you live in a local lockdown area, or have, within the last 14 days, returned from abroad from a non-exempt country
- Return home immediately and self-isolate in line with Government guidelines if you experience any of the following symptoms whilst on site – a cough, a high temperature, shortness of breath, a loss of sense of taste or smell
- Contact us immediately – if you are aware of any personnel who develops symptoms after attending the venue to ensure that we can implement our track and trace procedure

HERE FOR YOU

Our dedicated team of event managers, logistics professionals, security personnel, caterers and team builders at Silverstone channel the same level of energy into every event that we host – and we are prioritising your health and safety at every step of the way.
