

Championship Bulletin 2021

Regulation Amendments & Clarifications

2CVParts.com Championship

Bulletin Number	02
Date of Implementation:	24 May 2021
Championship Permit No:	CH2021/R042

With immediate effect, the following amendment is to be made to the official Championship Regulations already issued for the above Championship. All additions are underlined and in red text. Where appropriate, deletions are shown in blue strikethrough. Italics are used as a note and do not change any text.

Regulation Amendments:

Article 5.7.1.2 – Camshaft

5.7.1.2 **CAMSHAFT:**

Only the final paragraph is corrected. All of the other text remains unchanged. For brevity only the final paragraph is included here.

Camshaft tolerances are as follows: Lobe centre angle tolerance must be within ~~3~~±^o and lift + 0.125mm.

Reason:

The font used turned a ~~±~~ into a 3.

Issued by: David Wheadon

Position: Championship Coordinator
