Class 1 and 2's pit window will open 20 minutes after the start of the race and close 30 minutes after the start of the race.

Class 3 and Clio's pit window will open 30 minutes after the start of the race and close 40 minutes after the start of the race.

Race 2

Class 3 and Clio's pit window will open 20 minutes after the start of the race and close 30 minutes after the start of the race.
