

BrandsHatch Indy Circuit 5th & 6th June 2021

BULLETIN No: 05

ISSUED: 08:34

Event: BARC Race Meeting

Date & Venue: Brands Hatch Indy 5th & 6th June 2021

Subject: MODIFIED START PROCEDURE: Legends -Race 14 Sunday 6th June 2021

Senior Clerk of the Course: David Cartwright

Clerk of the Course: Trevor Williams

MODIFIED START PROCEDURE - RACE 14

The Start Procedure for Race 14 on Sunday 6th June 2021 will be modified as follows:

The Safety Car will lead the cars from the Pit Lane to form up in grid order in the normal way but with Car 69 in front

The Safety Car will lead the cars on two laps "to the grid". Cars will keep grid formation during these laps. The Safety Car will leave a gap of approximately 25 metres to Car 69 which will act as a Lead Car. The driver of Car 69 must have a functioning RACEceiver to enable the Clerk of the Course to communicate with them.

At the end of the 2nd "Lap to the Grid", the Safety car will stop in its usual position at the Front of the grid for a Rolling Start.

Car 69 will pass the Safety Car and complete one further lap and enter the Pit Lane. All other cars will stop in their grid positions.

Once Car 69 has entered the Pit Lane, the Countdown procedure will start and cars will undertake their Rolling Start in the normal way.
