[www.barc.net/online\\_noticeboard/thruxton-june-12-13](http://www.barc.net/online_noticeboard/thruxton-june-12-13)

## RESULTS

Results will be available via the TSL live timing website.

## BRIEFINGS

Drivers will receive a briefing in advance of the meeting via email. This covers all basic aspects of the event including details that would usually be given out at a new drivers briefing and hence new drivers will not be required to attend any other briefing.

## PODIUM PRESENTATIONS

Podium presentations will be made on the podium adjacent to the Media Centre immediately after each race. The top three cars must follow marshals' directions when coming off the track and park as instructed.

## PIT LANE PROCEDURES AND PIT STOP REGULATIONS

Pit lane speed limit is 60kph. During any pit stop a maximum of two mechanics may work on the car at any time. Anyone in the pit lane must wear a face mask.

The pit lane at Thruxton is particularly cramped. Only those associated with the current race will be allowed in the pit lane. Please help officials by keeping to this regulation at all times.

Pit garage doors to remain shut at all times outside the Jochen Rindt Trophy qualifying and race sessions.

## **MRL PRE '63 GT, MRL WOODCOTE TROPHY & STIRLING MOSS TROPHY & MRL JAGUAR CLASSIC CHALLENGE**

Each race will feature a compulsory pit stop and, where relevant, driver change between the 20th and 40th minute of the race. The car must be at rest for a minimum of 90 seconds during the pit stop (60 seconds compulsory and 30 seconds for Covid Cleansing of the cockpit). Any car failing to remain at rest for the mandatory period will incur a stop-and-go penalty. Any car failing to make a pit stop within the pit window will incur a Drive-Through penalty. Any car failing to make a pit stop will be excluded from the results. A solo driver can remain in the car during the pit stop.

## **MRL HISTORIC TOURING CAR CHALLENGE, TONY DRON TROPHY & SIXTIES TOURING CAR CHALLENGE WITH U2TC**

Each race will feature a compulsory pit stop and, where relevant, driver change between the 15th and 30th minute of the race. The car must be at rest for a minimum of 90 seconds during the pit stop (60 seconds compulsory and 30 seconds for Covid Cleansing of the cockpit). Any car failing to remain at rest for the mandatory period will incur a stop-and-go penalty. Any car failing to make a pit stop within the pit window will incur a Drive-Through penalty. Any car failing to make a pit stop will be excluded from the results. A solo driver can remain in the car during the pit stop.

The starting grid for race 1 will be made up according to the best times achieved during qualifying. The starting grid for race 2 will be derived from the finishing results from race 1. Awards will be based on the combined results of both races.

## **MRL Pre-War Sports Cars**

Each race will feature a compulsory pit stop and, where relevant, driver change between the 15th and 30th minute. All cars must be at rest for a minimum of 30 seconds during the pit stop – regardless of whether a driver change is to take place or not (15 seconds compulsory and 15 seconds for Covid Cleansing of the cockpit). Any car failing to remain at rest for the mandatory period will incur a stop-and-go penalty. Any car failing to make a pit stop within the pit window will incur a Drive-Through penalty. Any car failing to make a pit stop will be excluded from the results. A solo driver can remain in the car during the pit stop.

## **HRDC Jack Sears Trophy**

The HRDC 'Jack Sears Trophy' race is an optional one or two-driver event. Standing start. This race will feature a compulsory pit-stop and, where relevant, driver change between the 15<sup>th</sup> and 30<sup>th</sup> minute. Engines must be switched off during the pit-stop. Single drivers must alight from the car, shut the door and stand away from the car, signalling clearly with a raised arm that they have done so. They may return to the car, fastening seat safety belts before resuming. Two-driver teams may change drivers without shutting the door, however **surfaces must be cleaned in accordance with MSUK guidelines (See HRDC Drivers' Briefing)** prior to the second driver getting in. There is no mandatory minimum time for pit-stops. Any team failing to make a pit-stop will be excluded from the results. Teams failing to observe the pit-stop window will incur a drive-through penalty.

## **HRDC 'Dunlop Allstars' & HRDC 'Classic Alfa Challenge'**

Each race is a single-driver, 30-minute Sprint race with a standing start.

## **JOCHEN RINDT TROPHY**

Each race is a single-driver, 20-minute Sprint race with a rolling start.

## NOISE POLLUTION

Engines must not be run before 08:40 on Saturday, 08:35 on Sunday & after 18:30 on either day

## CIRCUIT ACCESS & EGRESS

All vehicles will need to go to the assembly area which is found in the Paddock Area. Noise testing will be carried out on entry to the assembly area.

For practice and qualifying competitors will be released into the pit lane at the start of their session. Cars in the garages will be sound tested in the garage and will be released to the circuit for their qualifying session from the pitlane.

**For races with standing starts** - After receiving the “countdown” and “green flag”, competitors will then be released from the assembly area onto the circuit where competitors will need to complete a lap of the circuit, coming round to the grid for the race start.

**For races with rolling starts** - After receiving the “countdown” and “green flag”, will then be released from the assembly area onto the circuit behind the safety car to complete a rolling green flag lap. Once the safety car lights have been switched off, the Pole Position driver has control of the grid. Once the safety car has come into the pits and the race cars come round to the grid, the lights will be extinguished to start the race. Racing is permitted as soon as the lights are extinguished.

**For those in Garages** - You will be formed up in grid order in the pit lane and after receiving the “countdown” and “green flag, will then be released behind the safety car to complete a rolling green flag lap. Once the safety car lights have been switched off, the Pole Position driver has control of the grid. Once the safety car has come into the pits and the race cars come round to the grid, the lights will be extinguished to start the race.

At the end of all practice, qualifying and races cars will take the flag, slowing down and completing one lap and pulling into the pit lane. Follow the instructions of officials as to whether cars are required to enter the Parc Fermé.

## RED FLAGS

Any category which generates a “Red Flag” may be placed at the end of the schedule subject to time being available.

## JUDGES OF FACT

Judges of Fact will be appointed in accordance with G10 and Q18 of the current Motorsport UK Yearbook.

## RACE DAY INFORMATION

The organisers will try to run the programme as published however reserve the right to bring forward, delay or abandon event sessions to suit the conditions.

## VIDEO EQUIPMENT

Video equipment may be fitted to the car if it is not used for commercial purposes. All equipment must be fitted to the vehicle at scrutineering and failure to do so may mean that the camera will be removed.

## **CIRCUIT & MEETING NOTES**

BARC will not be liable for any damage caused to vehicles being recovered from the track. Competitors, who experience mechanical problems, particularly if that problem is likely to be a hazard to others, must be stopped immediately in a place of safety. The competitor may also be liable for any excessive clean-up costs involved.

Motorsport is a non-contact sport and competitors who make contact with each-other render themselves liable to penalties in accordance with the current Motorsport UK Yearbook. Likewise competitors should remain within the white lines defining the edges of the circuit. Failure to do so will render the competitor liable to penalties up to and including exclusion.

The circuit fuel station will be open during the meeting.

All working areas should be kept clean and tidy and any waste placed in the appropriate container. Waste must not be mixed or waste left around the site. In the event that the BARC is charged for such issues then the charge will be passed on to the championship concerned if the individual cannot be identified.

Any person who is injured or feels unwell should seek help from the circuit medical services. Please contact an official or member of the venue management team.

## **MARSHAL MATTERS**

Marshals may camp in the Marshals Campsite.

Marshals parking will be in the Marshals Car Park

Post allocations will be advised at sign-on.

Please remember you should not use mobile phones or cameras while on duty.

If you are unable to attend please contact Paula Brown and return your passes to the BARC.

## **SOCIAL MEDIA**

Both officials and competitors alike are reminded that they should not make comments upon social media sites which may in any way be deemed as being derogatory, defamatory, obscene or libellous. You should remember that comments made are in a very public arena and can be seen by possibly more than your intended audience.

## **SAFEGUARDING**

A number of officials within the club are appointed as safeguarding officers and they are available to deal with problems which may arise or are brought to their attention. Issues can be raised by talking to the senior clerk of the course at an event or contacting a safeguarding officer. Details can be found on the BARC website.

## **EVENT OFFICE**

The Thruxton Historic promoters' Event Office will be in the Media Centre adjacent to Parc Fermé.
