

BRITISH AUTOMOBILE RACING CLUB RACE INFORMATION

BULLETIN No: 05

ISSUED: 12:11

Standing Starts

All races with standing starts will line up on the grid behind the safety car. They will then complete the green flag lap behind the safety car. The safety car will come into the pits at the end of the green flag lap and the cars will then grid up for the start procedure.

Whilst behind the safety car on the green flag lap, it is imperative that all cars keep up with the pace of the safety car to ensure a quick and clean green flag lap.
