However, scrutineers will be making random checks to ensure compliance with the regulations. Failure to complete the form in advance will mean that you cannot take part in the event.

If involved in an incident or you stop on circuit. You will be approached by a marshal who will be looking for a "thumbs up" signal from you to indicate that you are OK. Once you have given this, please follow two simple instructions; a) park your car as close to the marshals post and as close to the barrier as possible and b) when safe to do so get out of your car and quickly get yourself to a place of greater safety.

Cars will be moved to a place of Safety under Safety Car conditions. If being towed please keep your helmet on.

The safety car will be deployed from Pit Lane and will join the circuit on Pit Straight. When the Safety Car is deployed waved yellow flags and 'SC' boards will be displayed round the circuit. All cars must slow down immediately on reaching a yellow flag and board and no overtaking can take place. The Safety car will pick up the leader and all cars must keep within 5 metres of the car in front.

Prior to the resumption of racing the Safety Car will extinguish its lights approximately 2/3rds of the way round the circuit and will exit the circuit into Pit Lane.
