**Production Championship:**

Car #78 – Rory Denning is allowed to start from the back of the grid for Production Heat 3 – Race 29. This is due to his camera operator incorrectly not being allowed to attend to the car to activate the competitor's judicial camera prior to him taking the start of Heat 3 – Race 27. This has been agreed in conjunction with the Championship Co-Ordinator.

A handwritten signature in black ink, appearing to read 'David', is positioned above a horizontal dotted line.
