2CV NOISE TESTING

For Friday Daytime Qualifying (at 19:00) ALL cars must go to the Assembly area prior to the start of the session where noise testing will take place.

Each car will be given a sticker which shows they have been noise tested by the environmental scrutineer and will then be released via the pit lane onto the circuit.

If a car joins the circuit from a garage via the pit lane then the car will be noise tested at the end of the pit lane and given a sticker.

Only cars showing a noise test sticker will be allowed on the circuit
