### Truck Reserve Entry Procedure/Clarification

For each race the reserve truck(s) will come across to the Grid and come into the Pit Lane and wait at the end of the Pit Road. In the event that the race is stopped before 2 laps are completed, the reserve will join the back of the appropriate class grid for the restart. If the race is stopped after 2 laps have been completed it is not possible for a reserve to join a race.

Guest drivers cannot take the place of a registered championship member. A registered championship competitor takes precedent over any guests.
