

**British Endurance / Britcar Trophy**

**Additional Driver & Team Manager Briefing Notes**

**Snetterton 14/15 May 2022**

**Pitlane Working Area**

Due to the space limitations of the Snetterton pitlane the 'working area' of the pitlane now extends to the pitwall side of the red and white line.

No equipment may be positioned outside the white line bordering the concrete pit apron. Cars cannot be worked on beyond the working lane.

The 'Pit Lane' line as defined in the regulations is the yellow line outside of the garages.

Cars may only be pushed back within the working area, cars CANNOT be pushed back into the Fast Lane
