1.2 PADDOCK ACCESS & ALLOCATION:

Please see the paddock plan in section 5. It is important that teams only park in their designated area. Any competitor/team that parks in an area that is not assigned for them and refuses to move when asked by an official will be reported to the Clerk of the Course for penalty up to disqualification.

Paul Abbott is helping with the paddock management; he can be contacted on 07919 427 458. He will be onsite from Thursday afternoon until Sunday Morning.

Similar to 2021, all of the Championships have full grids at this event. To ensure that space is used for racing activities, all private cars and non-essential vehicles are to be parked in the “Competitors Private Vehicle Parking Area” close to the Paddock Diner and marked on the paddock plan in Red.

For teams testing on Friday, paddock access will be from 19:00 on Thursday. For the avoidance of doubt, testing is not a BARC activity and access to the paddock is controlled exclusively by Silverstone up to 19:00 on Friday.

Teams that are not testing will be allowed access to the circuit from 19:00 on Friday. Competitors arriving before this time will be held in car park 49 (near the main entrance).

If testing and you have track activity on Saturday, where possible, please park in a location that is allocated to your Championship – if you have hired a garage for testing this can be used. All Hyundai Coupe Cup and Kumho BMW competitors that are testing on Friday but not racing until Sunday should move out from the garages/paddock into the “Competitor Overflow Paddock” on Friday evening to allow those racing on Saturday to use the garages/paddock.

Hyundai Coupe Cup / Kumho BMW – Access to the garages on Sunday will be from 19:00 on Saturday. Competitors arriving on Saturday, but not racing until Sunday, will be held in the “Competitor Overflow Paddock” until approx. 19:00 on Saturday to allow teams that raced on Saturday to exit.

All paddock areas should be vacated as soon as possible after the meeting on Sunday.

When travelling to the venue Competitors, marshals and officials should think of the environmental footprint and in particular their carbon footprint. Vehicles should not be left idling and vehicles with lower emissions should be the preference.
