Date:	8 TH APRIL 2023	Time	13:30	Venue:	BRANDS HATCH
To:	CRAIG REID	Car No.	68	Licence No.:	
Formula:	BTRC				

The Clerk of the Course has received a significant and relevant new element from the circuit staff monitoring track limits which was unavailable at the time of the decision as described below: the imposition of a 5 second post-race time penalty.

In accordance with C.14.1.1 of the Motorsport UK Regulations, the Clerk of the Course, having examined the evidence provided by the circuit staff determines the following:

Decision: there is a significant and relevant new element which was unavailable at the time of the decision concerned.

Reason:

The computer generated photograph of the third alleged track limits violation of truck 68 was not clear and led to some doubt over the validity of the violation.

Competitors are reminded that, in accordance with C14.3.1 of the Motorsport UK Regulations, this decision is not subject to appeal.

Due to the nature of the Right of Review, the competitor was not summoned and therefore was not advised, at the time stated above, that this form would be sent by email to them.

DECISION OF THE CLERK OF THE COURSE

From:	PETER ROBERTS	Clerk of the Course

Formula:	BTRC		
Licence No.:		Issue time:	13:30

In accordance with Motorsport UK Regulation C14.3.2 I am satisfied that there is a significant and relevant new element which was unavailable to the parties seeking the review at the time of the decision concerned and upon investigation I find:

The imposition of a 5 second post race time penalty was incorrectly applied and is rescinded. The penalty was applied during the race based upon information from the circuit staff monitoring the track limits cctv equipment, however after the race a discrepancy was found which placed the third violation in doubt.

The competitor is advised of their right of appeal.

PETER ROBERTS
