Competitors should note that the use of electric scooters is prohibited in all areas of the venue. Anyone found using these may be removed from the venue.

Competitors should be aware the Paddock is a working environment, and as such the playing of ball games is prohibited. Competitors should also be aware of their responsibilities to members of their team / family who are under the age of 16.

When travelling competitors, marshals and officials should think of the environmental footprint and in particular their carbon footprint. Vehicles should not be left idling and those with lower emissions should be the preference.
