- 13.3. Qualifying 1 and 2: All cars that are on track and able to will take the chequered flag, slow down and enter the Pit Lane and exit via Gate 0 and proceed to Parc Fermé in their awnings. Cars that are in the Pit Lane at the time of the Chequered Flag will be released from the Pit Lane via a Green Light to do a slow lap back to the Pit Lane, enter the Pit Lane and exit via Gate 0. Trollies and buggies in the Pit Lane will exit via the Pit Lane Gate 11/12
- 13.4. At the end of the Race after taking the chequered flag, all cars slow down and enter the Pit Lane. Top three points scoring drivers in Artura Trophy, 570S Pro/Am and 570S Am proceed to the podium, all other cars follow the directions of the marshals and proceed directly to Parc Fermé
- 13.5. After all sessions and races drivers and team members must respect Parc Fermé regulations – Series Regulations Article 3.8

14. GENERAL NOTES

- 14.1. Driving Standards: Refer to Series Regulations Article 4.1 and Appendix L of the FIA International Sporting Code, Chapter IV
- 14.2. You are reminded that this is a non-contact sport
- 14.3. Give each other the respect on the track that you would expect to receive, particularly Pro drivers respect the Am Drivers. Don't cause damage that may affect participation in Race 2.
- 14.4. Track Limits: Refer to Series Regulations Article 3.14.4 and Appendix L of the FIA International Sporting Code, Chapter IV. These will be monitored by Judges of Fact at T4, T10 & T17 During Qualifying, lap times will be disallowed if track limits are breached. Post-race time penalties may be applied. At T17, you may lose that lap time and the next lap time.
- 14.5. Track Limits penalties will be recorded and enforced per car.
- 14.6. If you leave the track, you may re-join the track only when safe to do so and without gaining an advantage. At the absolute discretion of the Race Director a Driver may be given the opportunity to give back the whole of any advantage they gained by leaving the track.

- 14.7. If you have a mechanical problem, move off the racing line and pull off in a safe location. If you can pull off the circuit on the right hand side to enable quick recovery of your vehicle.
- 14.8. Gaps in the barriers are denoted by orange panels. Fire extinguisher locations are denoted by a red Fire Extinguisher symbol on a white background.
- 14.9. Do not continue around the circuit with the risk of leaving oil or other fluids on the track.
- 14.10. If stopped on the track and unable to continue, or instructed by officials, drivers must move behind the first line of protection immediately it is safe to do so. The Car must be left in neutral (unless on an incline) with the steering wheel in place. Drivers should remain with the marshals to assist with the recovery of the car.
- 14.11. During the Qualifying sessions and the Races, after receiving mechanical assistance, you will not be allowed to continue.
- 14.12. Accident: After a heavy accident stay in your car. Do not attempt to leave it on your own. Wait for the arrival of the doctor and if necessary the extrication team. We will take care of you.
