1 Series Regulation 3.4.3 – Amendment for Race 2

Following a request from the Series Coordinator, and in consideration of the changeable weather conditions, the Stewards approve the following amendment to Series Regulation 3.4.3 effective only for Race 2 at this Event:-

Delete the sentence “It is not permitted to take tyre trolleys on the grid” and replace with “It is permitted to take tyre trolleys on the grid. However, tyres may only be changed when the Race Director confirms a change of climatic conditions by a message on the timing screens and the team managers WhatsApp group or with the prior approval of the Series Technical Delegate. Tyre trolleys must be clear of the grid by no later than the 3 minute signal and we remind you that all cars must be on the ground at the 3 minute signal.”
