### Briefing Notes

12<sup>th</sup> & 13<sup>th</sup> August 2023

Hi All

Welcome to Donington.

I am acting as Clerk for the remaining CNC rounds of 2023.

My contact details are:

**Phil Hosker**

**Tel: 07485 527263**

**Email: [phil.hosker@btinternet.com](mailto:phil.hosker@btinternet.com)**

If you have any problems, please don't hesitate to contact..... Ray Sumner (only joking).

Some of the usual parish notices:

- 1) This is a non-contact sport, Rubbin is not racing, it is points on your licence.
- 2) If any contact between cars is reported by the marshals, both parties will be asked to come and explain it.
- 3) Slower class cars watch your mirrors.
- 4) Quicker class cars be patient and courteous with your overtaking.
- 5) Those in the middle will have to multitask.
- 6) If you have any issues with another driver, come and see me and I will try to sort it out. Do not take it upon yourself to "Put them right on a few things."

Donington specific.

- 1) We may have some guests during qualifying, they will be MG shaped. They are drivers who are sharing a car across races, but they only have 1 qualifying session and so have asked if they can get their laps in with us.
- 2) Your green flag lap will be from the assembly area, it will be grid and go.
- 3) Live snatch is in operation, this will happen under the safety car.

Have a great day and "Let's be careful out there."
