Subject: DRIVERS BRIEFING NOTES CLARIFICATION Nr 1
Venue: Barcelona
Event Date: 29th September to 1st October 2023

2. Circuit Information

2.9. When entering the pits, in accordance with FIA International Sporting Code Appendix L Chapter IV Article 4d, except in cases of force majeure (accepted as such by the Stewards), or unless otherwise defined by the Race Director, any part of a tyre of a car entering the pit lane must not cross, in any direction, any line painted on the track for the purpose of separating cars entering the pit lane from those on the track. For the avoidance of doubt, crossing means that the outside of any tyre should not go beyond the outside, with respect to the pit lane, of the relevant line painted on the track.

Drivers are reminded of FIA International Sporting Code Appendix L Chapter IV Article 4c which states "Any driver intending to exit the track and enter the pit lane must make sure that it is safe to do so". Therefore drivers should make their intention to enter the pit lane known as soon as possible. Any breach of this regulation may be referred to the Stewards for the consideration of the imposition of penalties
