2023 Morphmy Caterham Graduates Championship

Bulletin Number 01
Date of Implementation: 22nd August 2023
Championship Permit No: CH2023/R041 (C)

Amendments to Regulation regarding Safety Requirements (5.3.2.

The following regulation amendment is made with immediate effect. Deletions are shown in ~~blue strikethrough~~, and additions are show in red underline. Notes about unchanged regulations are included in *italics*.

5.3.2 SAFETY REQUIREMENTS:

All paragraphs prior to (xxix) remain unchanged.

(xxix) A Caterham ~~approved~~supplied rollover cage, as fitted as standard to Caterham Academy cars or Caterham 420R race cars, shall be fitted. ~~Caterham 420R/R300/R400 style rollover cages are not permitted, nor are the~~ "Trackday" rollover cages, which lack side rails, are not permitted.

All paragraphs after (xxix) remain unchanged.

Reason:

The Caterham 420R cage is authorised for motorsport use in other Championships. This change reduces the cost of conversion for cars fitted with this cage.
