Following investigations, I find that you are guilty of contravening the following Championship Regulation(s):

3.18 Testing at the venue within 14 days of the event

Brief Details:

The driver of car 11 was summoned to the JSCC race centre at the clerks request. The driver of car 11 was accompanied by the team manager of Westbourne Motorsport, the Championship safeguarding officer was present. The driver of car 11 had been driving another junior car at Brands Hatch Indy circuit within 14 days of the race event (21/10/23) which is in direct contravention of CR 3.18.

At the start of the investigatory hearing, the clerk asked the driver of car 11 where they were 2 weeks prior to this event? They responded "here" indicating Brands Hatch. The clerk asked the driver if they were aware of the testing regulation. They said "yes, but they checked with the team they entered the other series with and they said it would be okay".

As the driver had admitted driving, and after reviewing the TSL log for the event showing 8 FP and 10 Q laps completed, the decision was made to DSQ the driver of car 11 from qualifying and in accordance with GR Q12.9.4, the driver of car 11 will start from the rear of the grid for Race 1 with a 10 second delayed start.

The driver and team manager were asked if they had anything further to add, both stated no.

Accordingly, under Motorsport UK Regulation G 5.3, I hereby order that you receive the following:

Disqualified from the results of the race

Additional Comments: DQS from Qualifying Practice - start from rear of grid with 10 second delayed start

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
