Following investigations, I find that you are guilty of contravening the following Motorsport UK Regulation(s):

C3.5.1 Eligibility - Post Race Scrutineering

Brief Details:

After conducting post race scrutineering, a non-compliance report was issued for car 40 for having the incorrect gear linkage fitted as per JSCC CR 5.9.2.

Car 40 was interviewed with their parent and explained that the incorrect part was purchased as it was the only bit available, admitting that they had made a mistake. They stipulated that no advantage was gained by doing so. Irrelevant of any advantage the part was not as specified.

After listening to the driver, they were informed that they would be disqualified from qualifying and would have a 10 second delayed start as per Motorsport UK GR 12.9.4.

The driver and parent were informed of their right to appeal.

Accordingly, under Motorsport UK Regulation G 5.3, I hereby order that you receive the following:

Disqualified from the results of the race

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with Motorsport UK Regulation C 2.1.4
