

# BARC Marshals Stamp Scheme 2024

For many years BARC has offered a Stamp Scheme which rewards volunteers for the days they spend officiating at BARC run meetings

## How it works:

As of the start of the 2023 motorsport season, all records will now be held electronically. Each Motorsport UK permitted day attended is rewarded with a stamp, or multiple stamps, which is based on the type of event (see table below).

The limited number of officials that receive a reimbursement of expenses in some way for

attending, such as hotel or fuel costs will not receive stamps.

By their nature some events are less well attended than others. Therefore, by way of an incentive, several circuits have been designated as venues that will receive multiple stamps. These are detailed below:

## Stamps per Meeting:

<b>BTCC events and all three Goodwood events</b>	<b>1 stamp per day</b>
<b>24hr meetings and events at Cadwell, Snetterton, Pembrey and Anglesey</b>	<b>3 stamps per day (inc BARC official Friday qualifying)</b>
<b>Other Motorsport UK permitted BARC events not included above (including Centre Events)</b>	<b>2 stamps per day</b>

## Redemption:

Stamps remain valid for a period of three years (i.e. a stamp from 2022 expires on 31 December 2025) and can be redeemed against BARC regalia and the items below:

BARC Membership	12 stamps: Joint Membership additional 3 stamps
BARC Centre Membership	4 stamps: Joint Centre Membership additional 2 stamps
BARC Awards Dinner (Big Night Out)	20 stamps
Centre Awards Dinners	12 stamps
BARC Proban Overalls	30 stamps
BARC Regalia	Priced individually
12.5% discount on BARC Group products; e.g. skid pan or racing school etc.	Applicable to BARC Members only (0 stamps). Priced individually with 12.5% discount. Stamp value can also be used to offset against cost.

At the end of each season (or earlier if enough stamps are acquired), each marshal can request their stamp balance from the Competitions Department (competitions@barc.net). They will check your attendance record and calculate the stamp balance and advise the amount available. This will then be added to any balance held over from the previous year.

All BARC members have a number of discount benefits available to them which are outlined within the Club magazine.
