SAFETY CAR

The Safety Car will be deployed as per Championship Regulations, please ensure you have read and understand the procedure.

The Safety Car will join the circuit from the Pit Lane Exit. The Safety Car will leave the circuit by the Pit Lane Entrance.

Please remember that once a race is resumed after a Safety Car period, you are not allowed to overtake another car until you have passed the Control (Timing) Line.

At venues where light panels are operational, these light signals will take priority and may be supplemented with flags. Drivers must comply with the requirements of the signals.

CONTROL FLAGS

These flags (Black, Black & White, Black & Orange, etc) are shown from the Pit Wall at the control line on drivers RIGHT. Where possible, messages will also be displayed on the Timing Screens.

STOP/GO PENALTY AREA LOCATION

This area is located in the Pit Lane nearest to the Pit lane entrance.

TRACK BEHAVIOUR

Cameras are installed around the circuit. Instances of drivers exceeding track limits may also be reported by appointed Judges of Fact. Motorsport UK guidance is:

- a) In qualifying, running beyond track limits is likely to result in the loss of that particular lap time (note that a black & white flag signal need not be shown). This will occur on each and every occasion
- b) In racing, running beyond track limits is likely to result in the following penalties:
 - Second occurrence: Black & white warning flag shown to competitor;
 - Third occurrence: 5 second time penalty;
 - Fourth occurrence: 10 second time penalty;
 - Fifth occurrence: Drive-through penalty;
 - Sixth occurrence: Black flag, and disqualification from race.

Any driver entering a gravel trap and then re-joining must avoid bringing gravel onto the racing line. Any driver ignoring this instruction may be penalised. In Qualifying, any car that drives through and out of a gravel trap must go directly to the pits to be checked before continuing the session. In the Races, any car that drives through and out of a gravel trap must re-enter the track offline and avoid depositing gravel on the racing line.

If you have any questions, please contact either Callie Gent, Secretary of the Meeting, or Ray Sumner Senior Clerk of the Course via the e-mail addresses in the Final Instructions.
