**1.15 TRACK LIMITS**

The attention of Competitors is drawn to the current Motorsport UK regulations regarding track limits which came into effect on June 1st 2023. Track limits will be monitored around the circuit. A driver will be judged to have left the track if any part of the contact patch of any tyre of the vehicle goes completely beyond either the outer edge of any kerb or the white line where there is no kerb.

Unless championship regulations state otherwise, the following penalties will be applied:

**In qualifying sessions:** The lap time on which the breach occurred will be disallowed for the purposes of establishing grid order for the relevant race but will still count towards the minimum number of laps required to qualify for the relevant race. Note of times that have been disallowed will be made on the results sheet for that session.

**In race sessions:** A first breach will be noted. A second breach will result in the driver being shown the Black & White flag. A third breach will result in the driver receiving a 5-second time penalty. A fourth breach will result in a further 10-second penalty being added to your race time. A fifth breach will result in a 'Drive Through Penalty' Q 12.26 (h) in addition to the preceding time penalties. A sixth further breaches will result in a Black Flag.

Should the number of breaches or the timing of the receipt of the Judge of Fact reports in race control, prevent the above procedure from being implemented, the Clerk of the Course or the Stewards (where they are the designated authority to impose such a penalty), may, at their discretion and after the race, invoke article Q.12.21.4 of the Motorsport UK Regulations and impose a post-race penalty.

**1.16 TIMING OF DECISIONS**

If the Clerk of the Course or Stewards hold a formal inquiry into an incident and subsequently issues a formal decision to a competitor, a verbal decision will be issued followed by a document sent to the competitor by email. The timing of the decision will be when it is given verbally, and this will be the time recorded on the decision. This will also be the time that the appeal period, where applicable, begins.

**1.17 TRANSPONDER HIRE**

If you need to hire a transponder for this meeting, you must do so by the Wednesday prior to the event. This can be done by visiting the TSL-Timing shop:

[Click Here for TSL Transponder Hire Shop](#)

Do not leave it until the race weekend as the timekeepers may not be able to supply you a transponder if you have not pre ordered one. This could lead to you being in breach of MSUK Regulation 12.8.1.
