New Regulation

Race Three

Race three grid positions will be determined by the competitors' best qualifying time, as published by the official timekeepers and subject to any judicial matters.

3.4.8 Non-finishing competitors will be positioned in reverse retirement order behind the last car, but in front of any competitors serving penalties resulting in back of the grid starting positions. **This does not impact race one or three as these grids are set by competitors qualifying times.**

Reason for Change

Clarification of regulation 3.4.8 as having no impact on race three due to grid positions being determined by fastest qualifying time as per 3.4.7.
