MARSHAL AND OFFICIAL'S INSTRUCTIONS

1.1 GENERAL

This meeting will be held under the following Motorsport UK and ACU permit numbers:

Motorsport UK – National	135258
Motorsport UK – Interclub	135259
Auto Cycle Union	202403 EMN: 70/697

1.2 TICKETS, CAMPING PASS & MARSHAL ACCESS

ENTRY TICKETS

Your wristband, complimentary ticket(s) and car park label (or camping passes if requested) have been sent to you or are currently on the way to you. The entry wristband is valid for both days (Sat & Sun) and is your means of entry and to be worn continuously. The printed lapel ticket(s) are passes for your guest(s) and there is one for each separate day for which you have volunteered.

CAMPING and CAMPING PASSES

With the campsite car pass, you will also have received a pair of camping wristband as well. (One for yourself and another for your guest). This is your personal access to the campsite over the weekend. Without this wristband, you may not be admitted to the campsite, so please ensure it is always worn.

Goodwood have invested significant time, effort, and money into resolving the issues that marshals, officials, competitors, as well as the public experienced on the campsite during previous events. To make all these changes work, you need to always follow the instructions of the campsite management team. So please ensure you do not setup in any other area, even if you may have camped there previously, or camp outside of any Marshal's designated areas.

There are some other important points to note around the campsite:

- The campsite is open from 12 noon on Thursday 11th April and must be vacated by noon on Monday 15th April.
- Access to the campsite is via New Road, however, **please ensure you follow any local signage or the directions of SEP/Goodwood staff as changes may need to be made to avoid congestion or should the ground conditions dictate.**
- The Campsite Office is located near the main entrance to your campsite and is manned 24 hours a day from Thursday morning until noon on the Monday. It is here to help you.
- Each 9m x 7m pitch is for up to four people.
- Your vehicle must be parked within your allocated pitch.
- Only one car is allowed per pitch. Due to recommended fire regulations, cars are not permitted to be within three metres of a sleeping unit (tent/campervan/caravan etc). If you are travelling in more than one car you will be asked to park any additional vehicles in the public car parks.

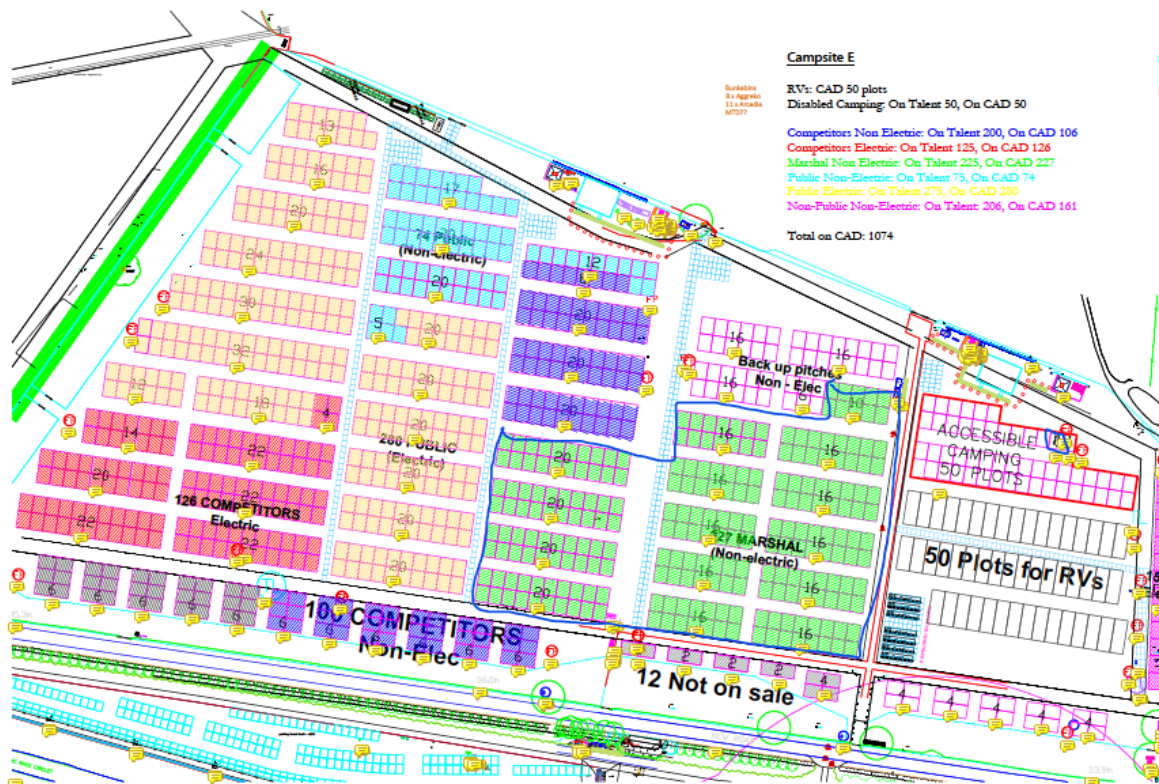

13th & 14th April 2024
Goodwood Circuit
Marshal and Officials' Instructions
Meeting HQ71– v2

- Use of your vehicle should be kept to a minimum during your stay. A vehicle curfew will be in place from 10pm till 7am each evening. No car movement will be permitted during this curfew.
- Please try to arrive before the curfew on Friday evening. However, if you are arriving late, the Security Team will make every effort to escort you to the correct location on the campsite. You may be asked to show your marshal's/officials ID. So please have it easily accessible.
- If you are returning to the campsite during the curfew, you may be asked to park in an alternative location overnight.
- Anyone witnessed to be driving inappropriately in the campsites may be charged a grass reinstatement fee by Goodwood based on the amount of damage to the grass. The minimum charge is £250.
- All users of the campsite are not expected to endure noise deemed to be a nuisance between 10.30pm and 8.30am. Please be considerate to your neighbours/those sleeping, especially when going to sign-on. Persistent noise offenders will be removed from the campsites.
- A dedicated 24-hour security team is in attendance from Thursday morning until 12 noon on Monday. Goodwood has installed a CCTV system to monitor the site, monitored by Goodwood's Security Team.
- If you experience a breach of security or any act of anti-social behaviour, please report it immediately to one of the security patrols, or directly to the Campsite Office.
- All users of the campsite are welcome to use the barbecues. Those using disposable barbecues must use bricks from the Campsite Office to allow your barbecue to be clear of the grass. Please ensure that these are returned after use as there are a limited number to service the entire campsite.

If any issues arise, please contact the Campsite Office in the first instance. However, there is also a Marshals/Officials liaison on the campsite – Alan Stalker, Chief Marshal. (Alan's contact details can be found under in the Contacts session of these instructions).

1.3 MARSHALS ACCESS TO THE CIRCUIT

Marshals can access the circuit from 07:00 via Gate 12 from Competitors Car Park 'D' the other side of the Lavant/New Road near Woodcote Corner. This is adjacent to the main Campsite entrance, see below.

There is also a bus service operating from 06:30, from the campsite entrance that goes to Woodcote corner as well. (See the diagram below).

These are the same Stagecoach buses that will also be used to take the Marshals to Posts. (See 1.9 MARSHALS COACHES)

Please note: Your guest can only access the circuit from 07:30hrs with their daily complimentary ticket, the same as spectators. Anyone attempting access prior to 07.30hrs using a guest ticket may be refused entry.

CAR PARKS

If you haven't requested camping a Car Park "E" car pass will have been included in your tickets. Car Park E is located adjacent to the campsite as shown on the rear of the pass.

However, due to the ongoing recent poor weather, it is expected that the arrangements around car parks will be changed by Goodwood. You may therefore be directed to other car parks, such as Car Park A or D, as appropriate.

Please follow any directions/instructions you are given by the Goodwood and Car Park staff. As I am sure you can appreciate this is a very fluid situation.

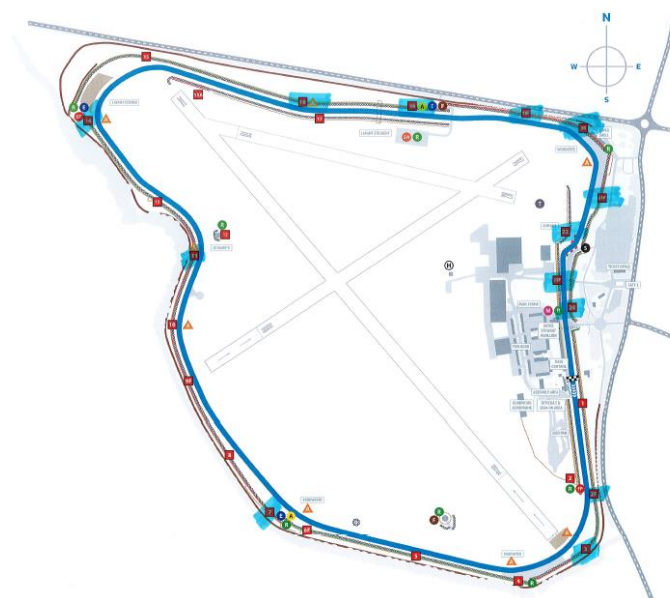

1.4 MARSHALS LUNCH & BREAKFAST VOUCHER

As in previous years, Goodwood have generously provided a packed lunch and bottle of water which will be provided at sign-on/check-in (see locations/times below).

As part of Goodwood's environment initiatives, there is a very significant drive to move away from single use plastic bottles. In line with this objective, Goodwood have installed water points around the circuit and key points in the Paddock. The location of these standpipes/fountains is as follows:

Daffodil/Aircraft Maintenance	Adjacent to the Paddocks
Lavant Straight	Adjacent to the Toilets
Lavant Corner	Adjacent to the Toilets
Madgwick Corner	Adjacent to the Toilets
Fordwater	Adjacent to the Toilets
Fishers Cottage	Adjacent to the Toilets
Blister Hanger	Adjacent to Goodwood Organics
Paddock 7	Between ice cream and coffee seller/stall
Supershell Lawn	Adjacent to the Toilets
Hurricane Lawn	Adjacent to the Toilets
Gasoline Alley	Rear of the Caterers

The trackside locations are also highlighted in the circuit map provided by Goodwood.

**13th & 14th April 2024

Marshal and Officials' Instructions
Meeting HQ71- v2**

In addition, 19ltr water cooler/dispensers, will be available in Paddock Hut/Office, Ultimate High, and in the Crew Room adjacent to the Pit Office.

All Marshals and Officials are **strongly encouraged** to bring additional reusable/refillable water bottles to ensure they have sufficient to drink whatever the weather. Reusable/refillable bottles will also minimise the environmental impact of single use plastics. Additional bottles can be filled up at Sign-On/Check-In as well as during the day at the locations above. Post Chiefs will be encouraged to make appropriate arrangements within their teams for “water runs” throughout each day as required.

1.5 OFFICIALS/MARSHALS SIGN-ON

Marshals and officials will not sign-on at the meeting having previously completed signing on electronically using the BARC Alpha system. The Alpha system will be your acceptance of the sign-on deceleration for both Motorsport UK and the ACU. (Both declarations can be viewed online and should be read carefully).

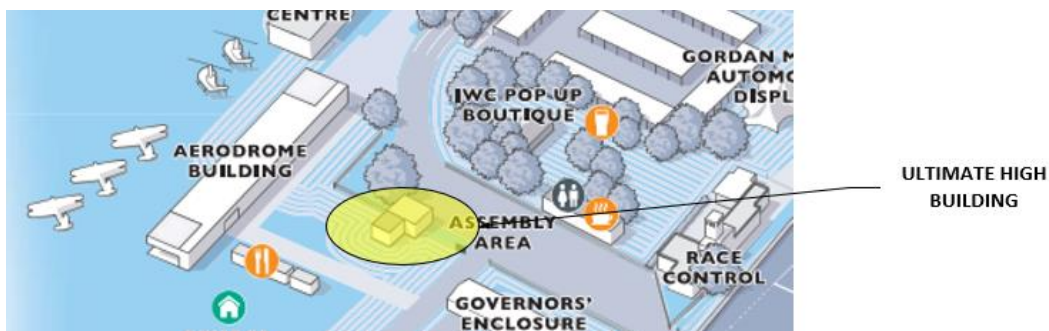

However:

All **Track Marshals/Fire/Rescue Crews** must check-in with the Chief Marshal/Rescue Chief who will be in the area behind Woodcote Corner, between the times below to confirm their attendance. (See Map above, under Marshals Access to the Circuit). **Rescue and Fire Crews** will then have a separate briefing on the **Woodcote Apron at 0750** with the Rescue Chief, Martin Hunt.

Please collect your radio (if appropriate), packed lunch, breakfast voucher, and water/drink from the same place after checking in. Check-in will commence at 07:00 **not before**.

All **non-track personnel** (i.e. Pits/Startline/Assembly Area/Parc Fermé/Senior Officials etc.) will check-in outside the Ultimate High Building (see below) adjacent to the Assembly Area to confirm their attendance.

Please collect your radio (if appropriate), packed lunch, breakfast voucher, and water from the same place after checking in. Check-in will commence at 07:15.

All **Recovery Unit** personnel will check in/sign on at the Circuit Office in the pitlane at the appropriate time. (Please contact Gabriel Ludlow or Sam Fairweather at the circuit if you need to confirm times/locations).
