

# CHAMPIONSHIP BULLETIN 2024-03

**BULLETIN NUMBER** 03  
**DATE OF IMPLEMENTATION:** 26 April 2024  
**CHAMPIONSHIP PERMIT NO:** CH2024/R009

## Current Regulation

### 5.20 DATA LOGGING

h) An additional data logger may be fitted but no additional sensors or displays that are visible to the driver in normal operation may be fitted to support this, except on test days. Details of the logger must be recorded on the logbook and the Championship Scrutineer may require it to be removed at any time. Data loggers must not be connected to the ECU communication port or the ECU CAN Bus.

## New Regulation

### 5.20 DATA LOGGING

h) An additional data logger may be fitted but no additional sensors or displays that are visible to the driver in normal operation may be fitted to support this, except on test days. Details of the logger must be recorded on the logbook and the Championship Scrutineer may require it to be removed at any time. ~~Data loggers must not be connected to the ECU communication port or the ECU CAN Bus.~~

## Reason for Change

This is lessening of the rules due to Championship supply issues.
