

CHAMPIONSHIP BULLETIN 2024-04

BULLETIN NUMBER 04
DATE OF IMPLEMENTATION: 30 April 2024
CHAMPIONSHIP PERMIT NO: CH2024/R009

Current Regulation

5.9.3

e) MINI CHALLENGE Specification Boost control valve Part No MCF56059.2 displaying two MINI CHALLENGE hologram stickers, one on the side and another over the adjuster screw is mandatory. Hologram stickers must be undamaged and intact. The Championship Organisers may require a competitor to fit a boost control valve supplied by the Championship or require all competitors to use a boost control valve randomly selected from boost control valves from all entered cars at any time.

New Regulation

5.9.3

e) MINI CHALLENGE Specification Boost control valve Part No MCF56059.2 displaying two MINI CHALLENGE hologram stickers, one on the side and another over the adjuster screw is mandatory. Hologram stickers must be undamaged and intact. The Championship Organisers may require a competitor to fit a boost control valve supplied by the Championship or require all competitors to use a boost control valve randomly selected from boost control valves from all entered cars at any time. **Boost control valve pipes must be over/covering all 4 barbs on the Turbo and Wastegate actuator banjos at all times.**

Reason for Change

For clarification purposes only.
