Car 431 made contact with the rear of Car 36 on the entry to Druids, both continued. Interviewed both drivers and reviewed on board footage from car 431 and 22 and head on circuit CCTV of druids entry. This was a first lap incident - Cars 721 and 36 were adjacent to one another on the entry to Druids and both braked heavily, resulting in a slower than normal entry into the corner. The following cars 175 and 431 were caught out by the braking of the two cars ahead which resulted in Car 431 making contact with the rear of 36. No driver was wholly or predominantly responsible to the incident. No further action.
