- CNC Heads Sports/Saloon Car Championship
- P4 Emergency Lighting Caterham Graduates Championship
- OT Publishing Coupe Cup

1.2 PADDOCK ACCESS & ALLOCATION:

Please see the paddock plan in Section 5. It is important that teams only park in their designated area. Any competitor/team that parks in an area that is not assigned for them and refuses to move when asked by an official will be reported to the Clerk of the Course for penalty up to disqualification.

To ensure that space is used for racing activities, all competitor trailers, private cars, and non-essential vehicles are to be parked in the specific areas marked on the paddock plan in Section 5.

Paddock access for competitors testing on Friday will be from 07:00hrs on Friday morning. For the avoidance of doubt, testing is not a BARC activity and access to the paddock is controlled exclusively by Oulton Park on Friday. Any competitor who is testing on the Friday and has track activity on Saturday, should, where possible, park in a location that is allocated to your Championship. It is advised if you are booking garage space for the Friday testing, you book in the garages you are in for the race event.

Teams that are not testing will be allowed access to the circuit from 17:00 on Friday. Competitors arriving before this time will be held in a car park (near the main entrance).

On Friday evening competitors are able to access the paddock up to 11pm.

On Saturday paddock access is from 7am.

After 11pm Friday and before 6am on Sat the next morning, the gate will be locked but competitors can call Security on the number listed on the gate to gain access.

All paddock areas must be vacated as soon as possible after the meeting has ended and by 9pm.

Garages have been allocated as follows:

- Garages 1-28 CNC Heads Sports/Saloon Car Championship

It is forbidden for personnel to climb on the pit wall and/or debris fences at any time. Any action by a competitor or team breaching this ban will be reported to the Clerk of the Course.

Competitors should be aware all paddock areas are a working environment, and as such the playing of ball games is prohibited. Competitors should also be aware of their responsibilities to members of their team / family who are under the age of 16.

Competitors should note that the use of electric scooters is prohibited in all areas of the venue. Anyone found using these may be removed from the venue
