#### HFF1600 Driver's Briefing – Thruxton Circuit

Welcome to Thruxton – the fastest circuit in the UK.

Due to the high-speed nature of this track, any incidents can be severe. Please race with respect and caution at all times.

## **Track Limits**

All green-painted tarmac and kerbs are not to be treated as grass.

These areas are considered part of the track limits and will be monitored accordingly.

## **Final Instructions**

It is your responsibility to read and understand the Final Instructions issued for this event.

If you have any questions or require clarification, please speak to the Clerk of the Course at Race Control before going on track.

#### **New Drivers Briefing**

A Clerk will be available from 08:00 hrs at Race Administration for new driver briefings.

#### **Important Notices**

HFF1600 Competitors

2025 BARC Support Vehicle Passes (Green) are required for this event.

Please ensure your pass is clearly displayed in the windscreen of your support vehicle.

No pass = No paddock access.

#### Scrutineering

Scrutineering for all vehicles and driver PPE will take place at 07:00 hrs on Sunday in the Scrutineering Bay. There is also scrutineering available on Friday.

#### **Standing Starts Procedure**

Cars will be assembled in grid order in the assembly area.

After the countdown sequence, the green flag will be shown to commence the green flag lap.

All cars must complete the green flag lap at a reasonable speed and proceed directly to their grid positions.

To avoid delays, the race clock may start 3 minutes after the green flag lap begins if cars are moving unnecessarily slowly.

Please help us reduce grid time by keeping formation and moving promptly to your grid box.

# Safety Car

The Safety Car will operate during the race only, in accordance with NCR Ch.12 App.8 Art.2.

No overtaking is permitted until the start/finish line after a Safety Car restart.

### **Judicial Procedures**

Judicial procedures remain unchanged, but all paperwork will be handled electronically.

Protests or appeals must be submitted to the Secretary of the Meeting or the Clerk of the Course via email.

Decisions will be issued in writing, either in person, electronically, or posted on the Official Noticeboard.

The appeal period begins from the earliest time of issue.

Please ensure you are fully prepared and compliant. Let's have a safe and successful event.

Mike Heath Clerk of the Course
