The Stewards have received a report from the Technical Delegate that an infringement of the Regulations has occurred in that (*description infringement*):

The Stewards came to the following decision on the reported infringement:

- ☐ Other penalty:

Motivation of the decision:

The Stewards heard from the driver. The driver stated that he had asked his girlfriend to measure the tyre pressure when the car was being moved from the fenced Parc Fermé area to the weighing scales in the scrutineering building. The driver did not realise that the car was still subject to Parc Fermé regulations.

However, the supplementary regulations clearly state that the scrutineering bay in paddock 2 is considered part of the Parc Fermé area. Therefore, the Stewards conclude that a breach of the parc ferme regulations has occurred and have decided to impose the aforementioned penalty.
