Date:	16-Aug-2025	Venue:	Knockhill	
To:	Rowan Campbell-Pilling	Car No.	42	
Formula:	Wera Tools F4 British Championship	Race 1	Round 19	
Licence No.:	281360	Time Notified:	15:59	Ch.2, App.3, Art. 1.16

The Clerk of the Course has received a petition together with a Fee Undertaking from:

[name of the parties concerned / parties directly affected by the decision handed down]

for them to review, in accordance with **NCR Ch.2, App.10, Art.1.1**, the following decision(s) made by the Clerk of the Course at the above Competition:

The Clerk of the Course, having examined On board footage from car 42
summoned and heard from Driver and team manager from car 42
determine the following

[Evidence],

[the Entrant(s) name(s)],

Decision:

There is a significant and relevant new element which was unavailable to the parties seeking the review at the time of the decision concerned

Reason:

Right of review instigated by the Clerk of the Course.

Judge of fact report received stating that car 42 was moving when the lights was extinguished.

Note that from race control you can't see the pole position.

On reviewing on board footage from car 42, 42 wasn't just moving but clearly had a significant advantage when the lights were extinguished.

[Clearly explain why the element brought before you is 1) significant and relevant (i.e. likely to call into question or modify the original decision) and 2) new (i.e. unavailable to the parties seeking the review at the time of the decision concerned)]

Competitors are reminded that, in accordance with **Ch.2, App.10, Art.1.13** of the NCRs, this decision is not subject to appeal.

In accordance with Motorsport UK **NCR Ch.2, App.10, Art.1.14** I am satisfied that there is a significant and relevant new element which was unavailable to the parties seeking the review at the time of the decision concerned and upon further investigation I find:

The 5 second time penalty is rescinded and replace with a 10 second time penalty.

You are advised of your right of appeal under **NCR Ch.2, App.4**.
