<u>18/19/20/21</u>	4/5 October	Silverstone International*	BARC

* Denotes the three qualifying events for the Three Nations Cup.

Reason:

Force majeure.

The original round 18, the last race of the day at Oulton Park, could not be re-started after a first lap incident required significant recovery and barrier repair.

There is insufficient time available to accommodate the race at the Silverstone event. Therefore, if suitable time could be found at another event, it would require competitors to commit to a further weekend which may not be suitable or indeed possible for all, especially those travelling from overseas, impacting their championship.
