83rd Goodwood Members Meeting

MARSHAL AND OFFICIAL'S INSTRUCTIONS

1.1 GENERAL

This meeting will be held under the following Motorsport UK and ACU permit numbers:

National (Race) - 206648
Interclub (Race) - 206649
Interclub (Speed) - 206650
ACU Permit - ACU 207014 EMN No. 70/8

1.2 TICKETS, CAMPING PASS & MARSHAL ACCESS

ENTRY TICKETS

As per the previous communications, Goodwood have moved to an electronic ticketing system so access to/from the circuit is different this year. You will be e-mailed an electronic entry ticket as well as being sent an official's wristband.

The electronic entry ticket will provide access to the circuit, which will be scanned. The Marshal's wristband will permit "early" entry before 0730 and identify you as a marshal and/or official throughout the event.

As per the previous e-mail from the competitions@barc.net, request for Guest Tickets, needed to be requested through an online system. These tickets will also be sent electronically via accreditation@accreditation.goodwood.com. If you have not requested a guest ticket and now need one for the days you are marshalling, please contact the club urgently, at contact competitions@barc.net, with the email address for the guest by 6pm Thursday 9th April at the latest.

All tickets are linked to the recipient, so if you are no longer able attend, or not received, will automatically be cancelled.

CAR PARKS

Car parking passes for Car Park D will be issued with tickets to those who have not requested a camping pass. Car Park D is located adjacent to the campsite, as shown on the rear of the pass. Poor weather can result in Goodwood changing car parking arrangements. Therefore, you could be directed to alternative car parks as appropriate. **Please follow any directions/instructions by Goodwood and the Car Park staff.**

CAMPING and CAMPING PASSES

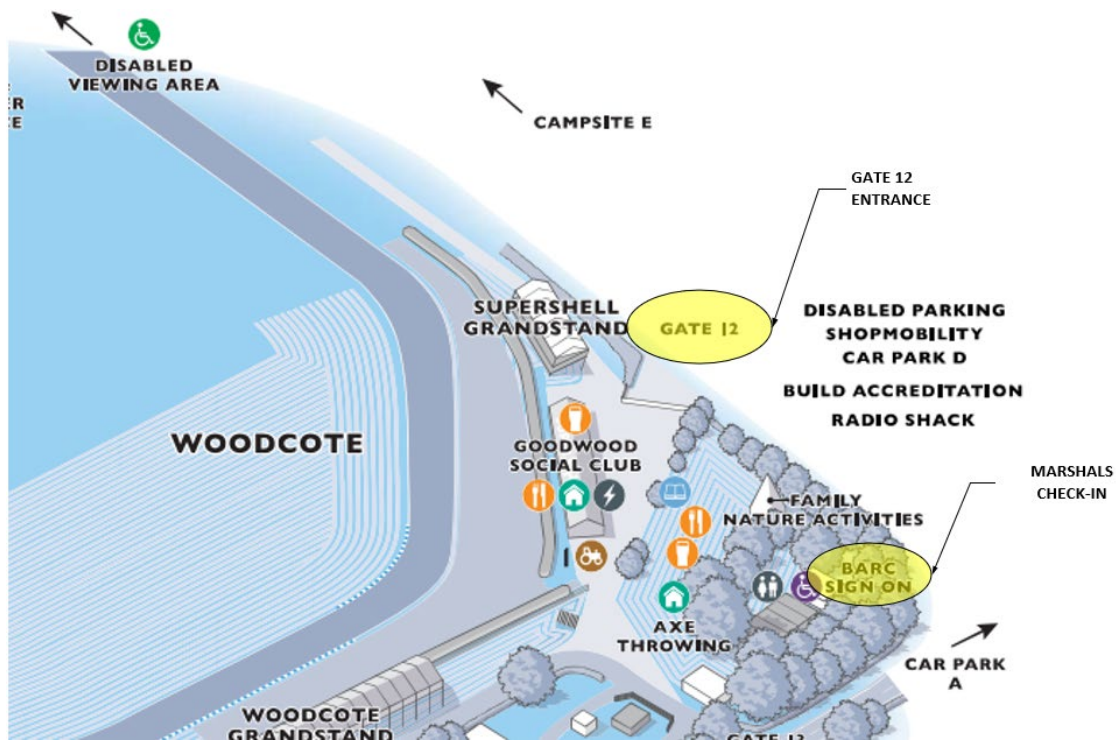

A campsite car pass will be issued with two camping wristbands (one for yourself and one for your guest). These wristbands should always be worn and without them campsite access may be denied.

Goodwood has invested significant time, effort, and money into improving the campsite. To facilitate its smooth running, please follow the instructions of the campsite management team. Please do not camp outside the designated Marshal's area for any reason.

There are some other important points to note around the campsite:

- The campsite is open from Thursday 16th April and must be vacated by noon on Monday 20^h April.
- Access to the campsite is via New Road. However, **please ensure you follow any local signage or the directions of SEP/Goodwood staff, as changes may need in certain circumstances.**
- The Campsite Office is located near the main entrance to your campsite and is staffed 24 hours.
- Each 9m x 7m pitch is for up to four people.

1. As per above, BOTH your electronic and Marshal's Wristband are need to access the circuit at 07:00. (The Marshal's wristband only identifies you as an official and is not a ticket as in past years.)
2. The circuit opens at 07:30, and guests may not be able to access the circuit earlier with their complimentary e-ticket.

1.3 OFFICIALS/MARSHALS SIGN-ON

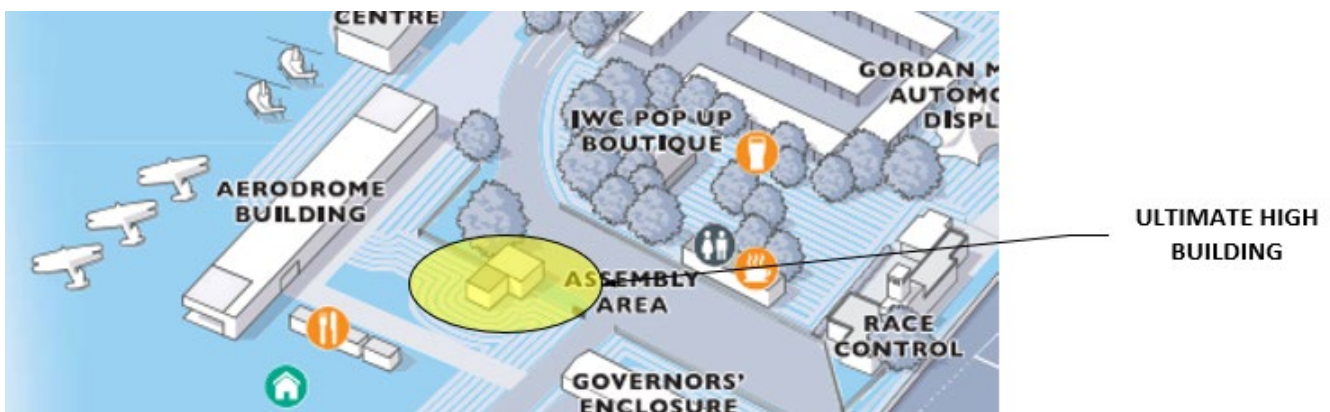

Marshals and officials will not sign on at the meeting, having previously completed the process electronically using the BARC Alpha system. The Alpha system will be your acceptance of the sign-on deceleration for both Motorsport UK and the ACU. (Both declarations can be viewed online and should be read carefully.)

However:

Track Marshals must check in with the Chief Marshal to confirm attendance between the listed times. The "Sign-On Tent" will be in the area behind Woodcote Corner. (See the Map above, under Marshals' Access to the Circuit.) Check-in will **commence at 07:00**, not before.

Medical, Rescue and Fire crews must check in with the Rescue Chief, Steve Hill, at the Medical Centre located at Gate 11. There will be a separate briefing at the Medical Centre at 07:50 for these personnel. Check-in will **commence at 07:30**.

Non-Track Personnel (Pits/Startline/Assembly Area/Parc Fermé/Senior Officials) must check in outside the Ultimate High Building (see below) next to the Assembly Area to confirm attendance. Check-in at Ultimate High will **commence at 07:15**.

1.4 **MARSHALS LUNCH & BREAKFAST VOUCHER**

Goodwood generously provides a packed lunch, breakfast voucher, and water bottle for volunteers. These should be collected when you check in; see the section 1.3, Officials & Marshal sign-on above.

As part of Goodwood's environmental initiatives, there is a drive to move away from single-use plastic bottles. Water points have been installed around the circuit and at key points in the Paddock. The trackside locations are also highlighted on the circuit map provided by Goodwood. The location of these is as follows:

Daffodil/Aircraft Maintenance	Adjacent to the Paddocks
Lavant Straight	Adjacent to the Toilets
Lavant Corner	Adjacent to the Toilets
Madgwick Corner	Adjacent to the Toilets
Fordwater	Adjacent to the Toilets
Fishers Cottage	Adjacent to the Toilets
Blister Hanger	Adjacent to Goodwood Organics
Paddock 7	Between ice cream and coffee stall
Supershell Lawn	Adjacent to the Toilets
Hurricane Lawn	Adjacent to the Toilets
Gasoline Alley	Rear of the Caterers

In addition, large water coolers and dispensers will be available in the Paddock Hut/Office, Ultimate High, and the Crew Room adjacent to the Pit Office.

All marshals and officials are **strongly encouraged** to bring additional reusable water bottles to ensure they have sufficient to drink whatever the weather. Bottles can be filled up at Sign-On/Check-In and during the day at the locations above. Post Chiefs should plan within their teams for "water runs" throughout the day as required.

1.5 **RADIOS.**

Post-chief radios will be issued at the Marshal's check-in. A full headset will also be issued, which **must be worn** with the radio. Details of the collection of radios for charging will be communicated each day. The headset should be retained overnight on Saturday and returned on Sunday with the radio.

The Chief Scrutineer and Chief Paddock Marshal will issue radios for the Scrutineers and Paddock and, along with instructions for charging and returning them.

Medical and Rescue radios will be issued from the Medical Centre along with instructions for charging and return. Radios for all other duties will be distributed from the Ultimate High building, located next to the rear of the Assembly Area. Radios obtained from this location must be returned to Ultimate High each evening for charging. Headsets and earpieces should be kept overnight on Saturday and returned to Ultimate High on Sunday.

1.6 POST CHIEF BRIEFING

A mandatory in-person Post Chiefs briefing will occur at the Marshals Signing-On tent at times above.

1.7 MARSHALS COACHES

Coaches will be parked on the track at Woodcote Corner from 07:45 on both days to take marshals to their posts. Those on posts (1-2 and 20-24) are asked to walk to their location.

Coaches will collect marshals at the end of the day after the last session, dropping them off at Woodcote Corner or returning to the campsite.

1.8 SPECIAL WHITE OVERALLS & DRESS CODE

The following procedures will apply under the control of BARC / Goodwood Staff for white overalls.

- White overalls will be issued at Marshals sign-on each day to all marshals at the following posts: 1, 2F, 19F, 20, 21F, 22, 23F, and 24 who require them. They will all be numbered and allocated to names. They must be returned to Marshals Sign-on on Sunday evening.
- Startline, Assembly Area, Paddock and Parc Fermé overalls will be issued at the Paddock Office by Daniel Smith and returned to the Paddock Office on Sunday evening.
- Anyone not attending on Sunday, please ensure you return any white overalls you have been issued on Saturday evening to the place of issue.
- The overalls are 'Proban' or flame-retardant material.

Observers and flag marshals may dress in "Country Casual" style (i.e. tweed jacket and tie) rather than overalls if they wish.

The dress code for senior Officials, including Race Administration and Race Control, is white BARC shirts.

Any Marshal/Official who would like to look around the paddocks and other areas at convenient times must remove their overalls and be suitably dressed as per the following:

While there is no formal dress code for the Members Meeting, we politely ask you to refrain from wearing denim and trainers. For further guidance, please refer to the Goodwood website and the "what to wear" section at <https://www.goodwood.com/motorsport/members-meeting/plan-your-day/>

USE OF CAMERAS OR MOBILE PHONES WHILST ON DUTY IS PROHIBITED, unless it is necessary to send a report to Race Control.

1.9 SPECIAL CIRCUIT RULES

The Duke of Richmond is very keen to continue the unique feel of this meeting, which can only be achieved by everyone paying the strictest attention to the smallest detail. Therefore, your full co-operation is vital in this matter. However, we are sure that you will all be keen to enter the spirit of this event and will thoroughly enjoy yourselves.

No post-1985 vehicles other than those previously authorised will be allowed into the circuit (e.g., Rescue Units, Breakdowns, etc.). These must not be parked around the Start/Finish section or in the Paddock. Rescue Units, Fire cars, and Breakdowns must immediately be taken to their post after sign-on and may only go on track under the direct instruction of Race Control. It will not be possible to switch locations between sessions.

1.13 SAFEGUARDING and RACE WITH RESPECT

Several officials within the clubs (BARC and Lansdowne) are appointed as safeguarding officers and are available to deal with problems that may arise or are brought to their attention.

1.14 LIVE STREAM and TELEVISION

This event will be live-streamed on the Goodwood website (www.goodwood.com). Therefore, advertising restrictions apply per **NCR Ch.6 App. 1 Art. 8.1e** (i.e., no tobacco or offensive-related sponsorship/signage on overalls, etc.).
